

"I moved here from out of the area. My daughter found Westminster Village for me and she did GREAT! I love it here. I feel very secure and I have made a lot of great friends. I am very active and I especially love our beautiful grounds for walking.

"My wife and I first moved here out of necessity. It didn't take long for it to become home. The staff is excellent and all of our needs are taken care of. My apartment is very nice and my wife just loves all the room we have. She especially likes not having to cook or clean. We both enjoy all the activities and just love our new home"

"I love all the different services that are available here at Westminster. When we moved here, my wife needed healthcare services and I moved into the apartments. It was so convenient for me and I was able to be with her all the time. I have since made so many friends and have great peace of mind being here. Thank you Westminster staff!"
